D. Hampton Golf Report

A copy of the report was distributed at the meeting.
Mr. Orender stated we were about $30,000 ahead going in to December and between December and January we went down $37,000. Of the $37,000 we’re down there were two things that we missed in the budget. That was two tax bills that total about $14,000 and with Ryan leaving there was a payout of accrued vacation. With that said, I think we can get back in line by May. We’ve got some really good programs in the next few months on the golf side, food and beverage keeps growing and we’ve made a hire whose focus is to book the room.

E. District Operations Manager - Report

Mr. Andersen stated we had put Mr. Roberson on probation in September because of bad behavior and he came into the club drunk and using abusive language and I suggest that the board terminate his membership and to no longer allow him to come to the club.

Mr. Garrison stated in an action like this it is always in your best interests to provide notice of Hampton and/or GMS as your agent of this action. Any time a governmental body takes any sort of action depriving someone of a real or perceived right you want to ensure fairness and due process. I recommend in an abundance of caution the you give an opportunity to appeal. I would not recommend taking action without affording the right to appeal.

Mr. Andersen stated when we discussed this before we made it clear that it was for all amenities, including Talon’s and golf.

Mr. Garrison stated if it is the position of the board that you want to make a change I would not exceed the two year probationary period.

Supervisor Bruno left the meeting during this time.

Supervisor Herold moved to revoke all privileges and rights of a Patron who was on probation to be on property, the golf course and Talons for the remainder of his two-year probation period subject to his right to appeal. The Patron will be advised that the Clay County Sheriff’s office will be notified if the Patron trespasses and enters either property. Reinstatement will be August 2019 but subject to approval of the board with a presentation on his behalf. Supervisor Butler seconded the motion. Motion passed 4 - 0
